"ATDC has been a phenomenal partner, supporter and accelerator for Preparis. The visibility we gained from investors, the media, partners and customers was unbelievable and contributed significantly to our growth. We're very proud to be 2012 graduates and all of us at Preparis simply want to say 'thank you, ATDC' for helping us get to where we are today."

- Armistead Whitney, CEO of **Preparis**

Coaching, Connecting, and Community

"We love being part of ATDC. It isn't just about resources, but it's about being in the right community. The most exciting things in the entire city of Atlanta are occurring right here, and we are in the center of that community. There is no place we would rather be right now. The energy is incredible."

- Dan Pompilio, Chairman and CEO of **SimpleC**

About ATDC

The Advanced Technology Development Center (“ATDC”) serves as the hub for technology entrepreneurship in Georgia. Founded in 1980, ATDC helps Georgia entrepreneurs launch and build successful technology companies by providing coaching, connections and community. Through business incubation and acceleration services, ATDC has supported the creation of hundreds of technology companies that together have raised more than a billion dollars in outside financing. Headquartered in Atlanta’s Technology Square, ATDC members benefit from a close proximity to Georgia Tech and connections with other Georgia research universities. ATDC was named one of the “10 technology incubators that are changing the world” by *Forbes Magazine* in 2010.

“Being able to bounce ideas off like-minded entrepreneurs, get advice from experienced ATDC mentors, and feed off the excitement of the other ATDC companies is invaluable.”

- Andrew Ibbotson, Founder and CEO of **Digital Assent**
